

INTEGRITY IN MINISTRY

COR VITAE MID-LIFE PROGRAM 2021

CHRISCHAPLIN, MSC

If you are what you are
meant to be, you will set
the whole world on fire.

INTEGRITY

Reflection on your personal experience:
Refleksi pengalaman pribadi Anda

- ▶ What does **integrity** mean to you? (Write in Chat).
 - ▶ Apa arti integritas bagi Anda? (Tulis di Chat).
-
- ▶ What would you have to do to **live with integrity**? (write your personal note).
 - ▶ Apa yang harus Anda lakukan untuk hidup ber integritas? (tulis dalam catatan pribadi Anda).

INTEGRITY

- ▶ Latin *integritas* means ‘intact’, (*utuh*) the state of being whole and undivided.
- ▶ The quality of being honest (*jujur*) and having strong moral principles (*memiliki prinsip moral yang teguh*).
- ▶ “If you wish to be a good priest first be a good MSC. If you wish to be a good MSC first be a good person.”
- ▶ “Jika Anda ingin menjadi imam yang baik, jadilah MSC yang baik. Jika Anda ingin menjadi MSC yang baik, jadilah orang yang baik. ”

Homily of Bishop Geoffrey Robinson

What influences the Integrity of the Human Person?

► Human motivations (motivasi manusiawi):

► NEEDS (KEBUTUHAN) –

- CONSCIOUS (DISADARI)
- UNCONSCIOUS (TIDAK DISADARI)

► VALUES (NILAI) –

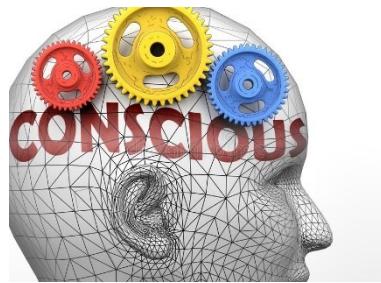

- HUMAN (MANUSIAWI) or NATURAL (ALAMIAH)
- THEOCENTRIC SELF-TRANSCENDING (TST or GOSPEL Values)
(TRANSENDENSI DIRI YANG BERPUSAT PADA ALLAH)

Three Dimensions (*tiga dimensi*) of interaction (*interaksi antara*) between our needs & values;

1

Conscious Needs with Gospel Values

VIRTUE (KEBAJIKAN)

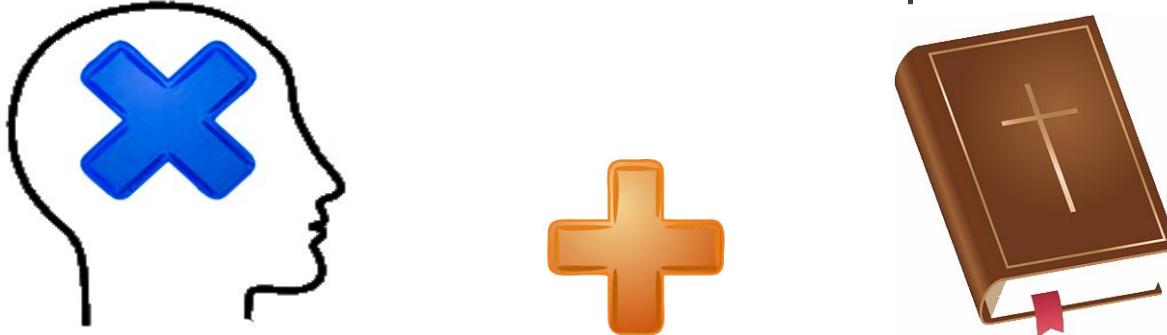

SIN (DOSA)

- full culpability (*sungguh bersalah*)

Three Dimensions (*tiga dimensi*) of interaction (*interaksi antara*) between our needs & values;

2

Unconscious Needs with Gospel Values

- *limitation of culpability (keterbatasan bersalah)*

Three Dimensions (*tiga dimensi*) of interaction (*interaksi antara*) between our needs & values;

3

Needs with Natural / Human Values

HEALTH (KESEHATAN)

PATHOLOGY

- my capacity to function as a healthy person

Experience of the Human Person

- ▶ What we do not deal with at a conscious level will be manifested from the unconscious at a symptomatic level.

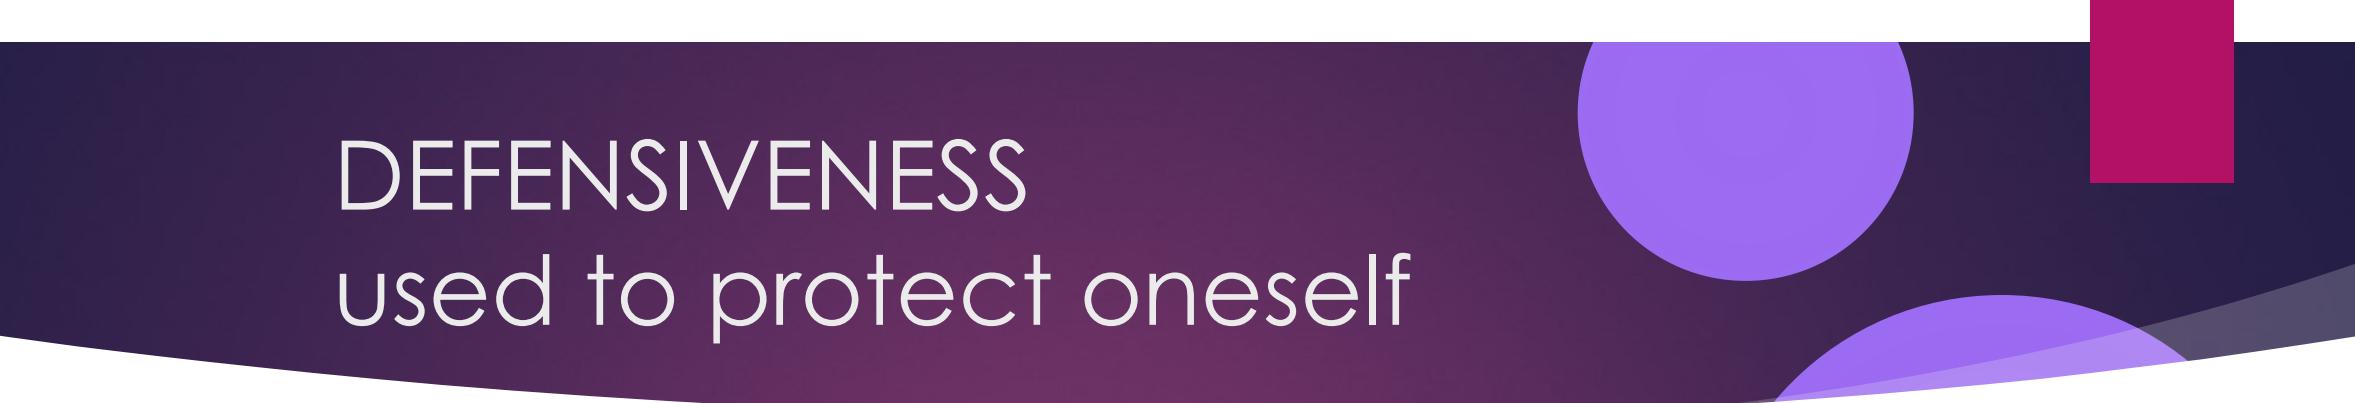

Apa yang tidak kita tangani pada tingkat sadar akan dimanifestasikan dari alam bawah sadar pada tingkat gejala.

- ▶ Behaviour does not show the true nature of what is hidden in the unconscious - so we can not measure someone's integrity by their behaviour.

Perilaku tidak menunjukkan sifat sebenarnya dari apa yang tersembunyi di alam bawah sadar - jadi kita tidak dapat mengukur integritas seseorang dengan perilakunya.

Experience of the Human Person

- ▶ Integrity is a deliberate engagement with the unconscious self.
Integritas adalah keterlibatan yang disengaja dengan alam bawah sadar.
- ▶ This engagement may activate defensive mechanisms
Keterlibatan ini dapat mengaktifkan mekanisme pembelaan

DEFENSIVENESS

used to protect oneself

- ▶ Needs can be
 - ▶ **Defensively (membela diri) Consistent** with Gospel Values
(e.g.; I show care for everyone else because I'm **too fearful** to acknowledge my own needs)
 - ▶ **Defensively Inconsistent** with Gospel Values
(e.g.; I bully others and dominate them because I **need to feel in control**)
- ▶ The root of Defensiveness is **VULNERABILITY (KERENTANAN)**
What are the signs of your own defensiveness?

Break-out groups:

- ▶ What is your experience of your own **lack of integrity** in your personal life?
Apa pengalaman Anda tentang kurangnya integritas dalam kehidupan pribadi Anda?
- ▶ What is your experience of the **lack of integrity of other people** and **how has it affected you** in your own life?
Apa pengalaman Anda tentang kurangnya integritas orang lain dan bagaimana hal itu memengaruhi Anda dalam kehidupan Anda sendiri?

Reflection on personal experience:

- ▶ I grow in integrity when my **needs and values are consistent** with each other - when I try to **live according to the Gospel** not just talk about it. Then my walk and my talk go together.
Apa yang membangun integritas adalah ketika kebutuhan dan nilai saya sejalan satu sama lain. Ketika saya mencoba untuk hidup sesuai dengan Injil tidak hanya membicarakannya. Jalan saya dan pembicaraan saya berjalan seiring.
- ▶ In what ways are your actions consistent with the actions of Jesus?
Dalam hal apa tindakan Anda konsisten dengan tindakan Yesus?
